Watch the magnificent African sunset and, after dark, use a spotlight to view nocturnal animals. Dinner in the Marula Tree Boma will be a BUSH BRAAI. After dinner, continue with your Night Drive and overnight in en suite air-conditioned chalets.

We stop for sundowners and toast the splendour of Africa. Dinner and overnight at Tremisana.

**DAY THREE:** Drive to Kruger Park in your custom-built open-sided Gameviewer. You will view game without intervening glass windows and also listen to and smell the denizens of the bush. The Orpen-Satara-Nwanedzi region has open plains that attract large herds of zebra, giraffe and antelope that, in turn, attract many predators. In fact, this zone has the highest concentration of lions in Africa.

**DAY FOUR:** After breakfast, we drive to Moholoholo Rehabilitation Centre. Here you will learn about the sterling work being done in rehabilitating injured and orphaned animals. You will get close and personal to some of the residents, including lions and leopards. Your understanding of Wildlife Conservation will be greatly improved. Return to Tremisana for a light lunch.
